KNOW WHAT YOUR BUSINESS IS WORTH

If you are buying or selling a business, planning its succession, or involved in a legal dispute, you need a specialist to establish an accurate assessment of value.

HOW WE CAN HELP

REDW is well known for our expertise in business valuation.

Our professionals have performed hundreds of business valuations and related financial advisory services for businesses in a wide variety of industries, which are representative of the economy in New Mexico and the Southwest. Business enterprises valued have varied in size from small owner/operated businesses to enterprises with annual revenues exceeding \$500 million.

Our valuations are regularly submitted to and withstand the scrutiny of federal and state courts, arbitrators, trustees, the Internal Revenue Service and other regulatory bodies. Our team members often provide sophisticated litigation support and expert witness testimony when valuation matters are part of a dispute.

REDW provides business valuation and related financial advisory services in matters related to gift and estate tax planning and compliance, buying or selling a business, mergers and acquisitions, split-ups/spin-offs, S-corporation conversions, intangible asset/goodwill impairment testing, family limited partnerships and limited liability companies, eminent domain/condemnation actions, marital dissolutions, buy/sell agreements, and shareholder and partner disputes.

At REDW, we have a department dedicated to business valuation and litigation services. In addition to being certified public accountants, team members who practice in the

business valuation area have obtained specialized business valuation certifications, including the designation of Accredited Senior Appraiser (ASA) awarded by the American Society of Appraisers, Certified Valuation Analyst (CVA) bestowed by the National Association of Certified Valuation Analysts, Accredited in Business Valuation (ABV) and Certified in Financial Forensics (CFF) designations awarded by the American Institute of Certified Public Accountants and Certified Machinery and Equipment Appraiser (CMEA). REDW is also a member of the Financial Consulting Group (FCG), a leading national organization of business valuation and financial consulting firms.
