

{ Employee Benefits Services for Healthcare Organizations }

» EMPLOYEE BENEFITS FOR THE HEALTHCARE INDUSTRY

Managing employee benefits requires more dynamic services and processes than ever before. Changes in regulations, management philosophy and cost occur at an alarming rate. That's why you need a service provider that understands the evolving healthcare marketplace and provides solutions that keep pace.

» HOW WE CAN HELP

Our service-oriented team adapts to market changes and innovations, providing our healthcare clients and partners with cutting-edge employee benefit solutions that deliver value to everyone in your organization.

» REDW BENEFITS SPECIALIZES IN THE FOLLOWING:

- Design of outcome-based physician incentive compensation
- Executive compensation and "excess benefit" consulting
- Retirement plan design and consulting
- Cafeteria plan administration
- Human resources outsourcing and consulting

Our employee benefits team has a strong background in technology and we have strategically invested in an advanced web-based platform. Your employees receive direct access to information online in a user-friendly, confidential environment that empowers them to better understand and use their benefits. You gain the power and support of knowledgeable benefits administration specialists who understand your industry. With REDW Benefits, you get a powerful one-stop resource for benefits administration and consulting services.

At REDW, integrity counts.
