» EMPLOYEE BENEFITS FOR THE HEALTHCARE INDUSTRY

Managing employee benefits and employee compensation requires more dynamic services and processes than ever before. Changes in regulations, management philosophy and cost occur at a rapid rate. That's why you need a service provider that understands the evolving healthcare marketplace, who can provide solutions that keep pace with these changes.

» HOW WE CAN HELP

Our service-oriented team adapts to market changes and innovations, providing our healthcare clients and partners with cutting-edge employee benefit solutions that deliver value to your entire organization.

» REDW BENEFITS SPECIALIZES IN THE FOLLOWING:

- Design of outcome-based physician incentive compensation
- Executive compensation and "excess benefit" consulting
- Retirement plan design, consulting and administration
- Flexible spending account administration

Our employee benefits team has strategically invested in a state of the art web-based platform. Your employees will receive direct access to information online in a user-friendly, confidential environment that empowers them to better understand and use their benefits. You will gain the power and support of knowledgeable benefits administration specialists who understand your industry. Call REDW Benefits for a powerful one-stop resource for benefits administration and consulting services.

At REDW, integrity counts.
