

{ Financial Education Websites for Tribes }

America is in a financial crisis. Families are struggling to stay afloat. Consider the following:

- In 2005 Americans had a negative savings rate
- Personal bankruptcies are at an all time high
- Consumer debt is at a staggering level and increasing
- Retirement plan participation is declining

» HOW WE CAN HELP

We provide customized and exclusive websites for tribal members with training programs covering topics such as:

- Being a smart consumer
- Budgeting
- Bank accounts
- College considerations
- Managing credit
- Investing
- Retirement plans
- Insurance
- Home ownership

The programs are supplemented with links to financial planning information, tools, and tribal resources. In addition, we offer lectures, workshops, and one on one sessions on nearly any financial topic.
